

Engraved Memorial Shelving

The Jessie F. Hallett Memorial Library has engraved memorial plates available for a timeless way to honor those who treasure books, reading, and lifelong learning. With a \$100 donation, the Library will place an engraved metal plaque on a book shelf naming the honoree/family.

There are currently over one hundred plaques in the Library.

The next time you're browsing through the library, look for the dedications!

Ask a staff member for more information on memorial plaques.
